

Aqua[®]
PRO

MARINE 2022

The Aqua Pro logo features the word "Aqua" in a large, white, sans-serif font with a red swoosh underneath. Below it, the word "PRO" is written in a smaller, white, sans-serif font. The logo is set against a dark blue background.

Aqua
PRO

A circular graphic with a silver, metallic texture. Inside the circle, the number "50" is written in a large, bold, black font, and the word "YEARS" is written in a smaller, bold, black font below it.

50
YEARS

A horizontal red banner with white text. The text is in a bold, sans-serif font and reads "AMERICA'S FAVORITE WATERSPORTS BRAND" and "LEADING THE INDUSTRY IN INNOVATION".

AMERICA'S FAVORITE WATERSPORTS BRAND
LEADING THE INDUSTRY IN INNOVATION

A man in a yellow t-shirt and dark shorts is standing on a blue and red Aqua Pro paddleboard on a body of water. He is holding a black paddle. In the background, there is a large, light-colored house with a wooden deck and stairs leading down to the water. The water is calm and reflects the sky.

WELCOME TO LIFE ON THE WATER!

AQUA PRO IS AN INNOVATIVE WATERSPORT BRAND
that takes fun, relaxation, competition, and safety seriously. We create products of outstanding quality to give you unforgettable moments on the water.

DROP-STITCH TECHNOLOGY

Our high grade, drop-stitch inflatable products are built by joining two base layers of polyester with thousands of polyester threads. These layers are then combined with PVC sidewalls designed specifically to resist air loss. The result is an inflatable product with the rigid characteristics and durability of hard shell products yet is also lightweight and packable for travel.

PERSONAL FLOTATION DEVICES **USCG APPROVED COLLECTION**

THE AQUA PRO LINE OF UNITED STATES COAST GUARD APPROVED PERSONAL FLOTATION DEVICES (PFDS) demonstrate the importance that we place on safety. We carry a line of PFDS for all ages, from baby to kid to adult, that meet the requirements of the U.S. Coast Guard standards for a variety of boating activities. These life vests create essential buoyancy, are easy to clean and dry, are easily adjustable for an always secure fit and can be used for water activities such as tubing, kayaking, paddleboarding, waterskiing and more!
